## Rabbi's Message

Last year at this time, in my Bulletin article, I cited the exasperated question asked by an acquaintance, "Can anyone cite something good that happened in 2016?" No few people are asking the same thing about this past year. On the world stage, 2017 has been a year that has seen 2016's problems deepen and new ones arise.

We enter the season of "peace on earth and good will toward humankind" as it is often described by our Christian friends with both seeming distant and even laughable concepts to expect. This year, the themes of Chanukah seem more appropriate than usual: a holiday of light amid the darkness, hope amid despair, courage at a time of fear, and standing up for one's beliefs at a time of persecution. 60,000 nationalists marched in Poland recently, no few proclaiming anti-Jewish and anti-Muslim sentiments and calling for pure blood.

Closer to home, too many people spend their days in harmonious echo-chambers shunning dissonance, only willing to hear agreeable opinions, while seeing challenging ones as evil instead of simply different. Tolerance and respect for difference often only extends to those within our echo-chambers. We're willing to tolerate hearing different notes as long as they maintain our desired harmony. And too often, staying with the musical analogy, rather than trying to help a dissonant

note resolve, we simply exile the musician playing it.

For the good of our communities and for the good of our nation, we need to expand our tolerance and seek to understand those who do not agree with us. Only then can we have the necessary conversations about how to address many of our community, state, or national challenges, much less to achieve functional and effective solutions.

May our doors be wide enough to admit those who do not think as we think.

May our ears be open enough to listen to words that we may not wish to hear.

May our eyes see not only difference, but commonality.

May our hearts allow us to be compassionate and tolerant.

May our minds put our wisdom to the work of understanding.

May we make our world a better place.

**Rabbi David Kaufman**

# President's Comments

## **Volunteering for Shabbat**

Over the past several months, I've had the privilege of meeting and visiting with many of you at our wine and cheese receptions before Shabbat services and am thrilled in getting to know you on a first name basis. You may

have started to notice our Temple Board members volunteering as Shabbat greeters and announcers. This is just the first step in being more welcoming to all who visit Temple.

Other ideas will start to take surface as well. When you enter the Social Hall, our greeters will be standing to greet you and ask you to fill out a name tag. For those visiting for the first time, a guest card will be filled out so we can gather basic information about who is visiting Temple. A table will also be placed where one can find details about membership, basic information and complimentary copies of our Bulletin.

I'm excited to extend an invitation to all of our congregants to volunteer as Shabbat greeters. A new link on our website has been added for our congregants to sign-up. The link will direct you to SignUp.com, a website used by Temple to coordinate volunteer opportunities. This is just the first of many volunteer opportunities you will be seeing on our website. If you don't have access to our website or are having difficulties in using the electronic sign up, please don't hesitate to contact Erin Plank in the Temple office for assistance.

## **RSVP To Attend One of Our Vision Forum's in December**

Over the past several months, the Temple Board and I have been working on the beginning stages of our strategic planning initiatives which gives us the opportunity to evaluate how our Temple performs at all levels. It is now a perfect time to receive your input about Temple: what is working, what is not working and what are your dreams for the future.

I invite you to take part in one of three Temple Vision Forum sessions taking place in the month of December. Each session is one hour in length.

Myself, Vice President Gabrielle Callistein and our strategic planning consultants will be facilitating the sessions. Your input will provide the insights needed to effectively create our strategic planning initiatives.

The following three sessions will take place in the Social Hall. Babysitting is available for the Sunday, December 10 Forum only.

- Monday, December 4, at 7 PM
- Wednesday, December 6, at 10 AM
- Sunday, December 10, at 5 PM

Please RSVP to one of the sessions by contacting Erin Plank. If you require babysitting for the Sunday, December 10 Forum, please inform Erin. Erin can be reached at [office@templebnaijeshurun.com](mailto:office@templebnaijeshurun.com) or by calling 515-274-4679.

If you are unable to attend, you may forward your comments to myself ([alanadato@yahoo.com](mailto:alanadato@yahoo.com)) or to Gabrielle Callistein ([callistein@mchsi.com](mailto:callistein@mchsi.com)).

I encourage you to participate and look forward to seeing you!

## **Iowa Trip to Israel**

The Temple community has been invited to join Temple Judah of Cedar Rapids for an Iowa trip to Israel. Rabbi Todd Thalblum of Temple Judah and Rabbi Kaufman plan to go on the trip which will take place June 9-18, 2018. The trip is designed to be an introductory trip to Israel, visiting the major sites. Please feel free to reach out to Rabbi Kaufman at [rabbikaufman@gmail.com](mailto:rabbikaufman@gmail.com) for more information.

# Executive Director's Message

I recently asked Rabbi Kaufman to provide me and our staff with an overview of a specific topic related to Judaism during each of our staff meetings. Although most of our professional staff is not Jewish, we all have a working knowledge of Judaism, however I wanted to provide our staff with a well-rounded understanding of Judaism. Our very first session was a discussion about the Jewish calendar and holidays. As I look back at the High Holidays, I realized just how many New Year celebrations we mark in our lives like the start of the Jewish Year, a new school year, a new fiscal year, and a new calendar year. All of our staff looks forward to learning more about other aspects of Judaism throughout the year. Thank you Rabbi Kaufman for providing these invaluable sessions.

We are quickly approaching the end of a calendar year and this is a time often marked by giving back to the community. Giving can take many forms and it has been great to see the many ways our community has given over this past year. From helping build a home for a family to preparing meals for our local homeless shelters, these are just a few examples of volunteering your time in our community. We've had to contact the DMARCC Food Pantry at least once a month to collect all the food and hygiene items you have graciously donated. I hope the trend continues on a regular basis.

Your Annual Dues Pledge is the primary giving we need from you to help our community grow. Without the funds collected from your Dues Pledge we would not have been able to repair the water damage in the sanctuary earlier this year, purchase new High Holiday prayer books, or pay our regular bills like water and electric. Thank you for your continued support in sustaining the Temple. If you ever have any questions about your Annual Dues Pledge please don't hesitate to

contact me directly. I'm excited to introduce other ways to give to our Temple. You will now notice on our website the option to make a donation to the Temple via Paypal. People from all over the country who have visited our website have supported Temple using this method.

We have also created a Temple Wish List on Amazon.com. The Wish List shows everyday items that are needed at Temple. Items include high chairs for the Social Hall, ice scoops for the kitchen and a portable vacuum for our cleaning staff. Similar to a gift registry, simply go to Amazon.com and access our Wish List using the following steps...

- Go to [www.amazon.com](http://www.amazon.com)
- In the upper right hand side of the webpage there is a link that reads "Accounts and Lists."
- Hover your cursor over that link and click "Find a List or Registry."
- Click that link and you will be able to search for Temple B'nai Jeshurun and view the items.

I would ask that you let the office know if you purchase an item from the Wish List so we can remove it from Amazon and send you an acknowledgement of your gift. Don't hesitate to contact me if you have any questions about the Temple Wish List.

As we mark the end of the calendar year I want to thank you all for your generosity in 2017 and give you best wishes for a happy and healthy 2018. I can't wait to see how our community will grow in the coming year!

# Social Action Volunteers Were Busy This Fall

## Habitat for Humanity Multi-Faith Home Building Project:

Temple Social Action volunteers partnered with Christ Community Church for our Habitat for Humanity home build day on October 15, part of a bigger multi-faith community build of a Habitat for Humanity home that included members from the Des Moines Intentional Eucharistic Community, First Unitarian Church, St. Luke's Episcopal Church, Oasis Ministries, Downtown Disciples, and Urbandale United Church of Christ.

## Iowa Homeless Youth Center Dinner Meals

Our volunteers prepared and served the dinner meal on November 5 and November 19 at the Iowa Homeless Youth Center (IHYC) in Des Moines. IHYC works to eliminate homelessness among children, youth, and young families in Central Iowa. IHYC believes, with support and assistance, homeless youth can attain self-sufficiency and break the cycle of poverty. Through case management and advocacy, their dedicated staff works with youth (ages 16-22) and young families (ages 16-25) to become self-sufficient and to plan for a healthy and successful future. The youth served are non-system involved, meaning that they are not placed or directly supported by a governmental payment agency. IHYC is often a last resort for older runaway and homeless youth who have exhausted community resources, family, and friends, and who have no safe, stable, or permanent place to live.

## TOYS FOR TOTS

The Temple B'nai Jeshurun and Christ Community Church social action teams are partnering up and collecting toys for our local Toys for Tots program. Toys can be brought to the Temple and dropped off in our collection box. Toys for tots are looking to collect toys for children 0-3 (non-gender specific toys), 4-8 (gender specific) and 9-14 (gender specific). All toys need to be brought to the Temple by December 15th. Please contact the office with any inquiries.

## PEANUT BUTTER GELT COOKIES

This easy recipe incorporates and maintains the shape of the gelt on top of the cookie. Not only is the cookie delicious with the chocolate, it also highlights the gelt.

### Ingredients:

- 1 cup peanut butter (crunchy or smooth;  
do not use old-fashioned or freshly ground)
- 1 cup sugar
- 1 large egg
- Approximately 35 chocolate Hanukkah gelt

### Directions:

1. Preheat the oven to 350°F. Lightly grease two baking sheets.
2. Beat the peanut butter, sugar, and egg together.
3. Shape the dough in rounds with flat tops the size of the gelt.
4. Bake for about 12 minutes.
5. Remove the cookies from the oven, cool slightly on the pan, then gently press one piece of gelt into the center of each cookie.
6. Cool the cookies on the baking sheets for 10 minutes before transferring to a wire rack to cool completely.

*They're Yumakkah for Hanukkah!*

## A WORD FROM SISTERHOOD

**WINTER IS COMING!** This line strikes fear into the characters of the “Game of Thrones.” But, as plants and animals are drawn closer to the earth to prepare to rest from the busy activity of the growing season, we prepare for a season of miracles and fellowship.

We begin with Hanukkah and our miracle of the Temple lights. Beyond reason, as the oil continued to burn in the Temple, we come together in fellowship to warm the cold and dark. Nature’s rest continues, and we can snuggle and share, renewing our spiritual strength in learning and remembering; enjoying the opportunity to meditate on Adonai’s goodness while the outside sleeps.

Take this opportunity to come to Sisterhood meetings and activities, to renew our solidarity and assume our responsibility for the life and the future of our Jewish community.

sympathies ...*
