There are two main reasons socks are among the most valuable piece of clothing to people without permanent housing. For one, feet work overtime when there's no cozy home (or laundry room) to return to each night. The other reason is that socks and underwear aren't often donated or, when they are, the goods can't be sanitized and put to use.

If you put yourself in someone else's shoes (pun definitely intended), you can see how clean, warm socks are a true treasure. To make a difference this passover season, consider donating new, dark socks to our sock drive for homeless and otherwise less fortunate families. We are looking for new, black, adult (XL) socks.

Thank you and
