Temple B'nai Jeshurun Sisterhood
Des Moines, IA

Dear Rebecca Shaffer,

It is our pleasure to inform you that the Or Ami committee has recognized Temple B'nai Jeshurun Sisterhood with an Honorable Mention for the 2023 Or Ami Awards for its program, MLK Jr. Elementary's Teacher's Lounge. Your efforts are a great source of pride for WRJ.

Temple B'nai Jeshurun Sisterhood and its Or Ami program will be honored at your District Convention in Itasca, IL, on March 9-12, 2023. As we get closer to the convention, we will share more detailed information with you about the specific Or Ami honors and their timing. We will also post information about your program (including its title, your sisterhood or WRJ District's name, and a brief description of your program) on the [Or Ami page on the WRJ website](#), giving recognition to your program and allowing it to serve as a model for other women's groups and districts.

Women of Reform Judaism values your commitment to the spirit of *tikkun olam*, your sisterhood and WRJ District, and your synagogue and community. Please accept our most sincere congratulations on this honor.

Sincerely,

Sally Frank
