

**Attention one and all! Our Temple Sisterhood will be holding a fall collection drive to help out the Animal Rescue League of Iowa!**

**From September to November, we will be collecting empty facial tissue (it doesn't need to be a name brand) boxes, empty toilet paper tubes and empty paper towel tubes for the small animals in the care of the ARL of Iowa.**

**The boxes will be filled with timothy hay for the rabbits and guinea pigs to eat. The tubes will be used as enrichment activities for the small animals, such as hamsters and gerbils, to chew on.**

**Please drop them off at Temple and they will be transported to the ARL on a weekly basis. For more information, contact Jody Kolmen at [panicst4c@me.com](mailto:panicst4c@me.com)**
